Hi Sharon,

Attached is a copy of the settlement transcript that you requested. The reporter did not charge us for the transcript.

Any questions, please contact me. Otherwise, I will assume the check will be processed and mailed immediately. If I do not receive payment by December 1, 2006. I will assume you will not voluntarily produce the same, and I will file a Motion to Open the record to enforce the settlement.

Thanks, Cindy

Thank you for your assistance in obtaining a copy of the transcript as quickly and cost efficiently as possible. We have until 12/10 under the court's 60-day order. I have asked that the check be expedited nevertheless.
